

2019 Updates:

Tuition Enforcement

This year at the blossom center we will be strictly enforcing prompt tuition payments. Accounts that are more than two weeks behind payment will be issued a warning phone call and the **children will not be allowed to return to the center until the account has been made up to date.** If your child is out due to an unpaid balance, after two weeks we will remove you from our roster.

New Year, New Curriculum!

This year we will be using a new curriculum called Funshine Express®, which will be focused on helping your children gain and strengthen their academic and social skills. Funshine Express includes music and movement activities, a book of the month, creative arts projects, a newsletter (see attachment) with ways parents can help reinforce these skills at home, and more!

Please save & bring us empty tissue boxes for our valentines day art project!

Parental Reminders!

Please make sure you are promptly **signing your child in & out.**

Please make sure your little ones are up to date with **flu shots!**

Please tag all of your child's clothing and toys with their name!

We are preparing our garden and are **seeking volunteers** to help us! Please contact **Audrey** in the office if you or anyone you know is interested in helping out!
